Dear Kevin,

You sent me a letter (copy enclosed) last January regarding a transfer application filed by the Koelling's for property they purchased from Lane Gochnour. The land in question is located in T16S, R26E, Sections 22, 23, 26, and 27. The Gochnour's had previously transferred three rights north to Sections 22 and 23 for a pivot they planned to install. They never accomplished this and subsequently sold the land in Section 26 and 27 to the Koelling's along with two of the water rights.

In your letter as the lien holder, you mentioned right 43-11197, a domestic and stock water right. That right is not a part of the transfer. The transfer involves rights 43-2237 and 43-4083. If approved by the Department, it will put those two rights back onto Sections 26 and 27, the property purchased by the Koelling's.

I have enclosed a copy of the proposed transfer and a map. Could you please draft another letter mentioning the rights involved and whether or not you approve of this transfer?

Please feel free to give me a call at the office if you have any questions.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent
