Re: Permit to Appropriate Water No. 65-22922

Dear Sir or Madame:

The Department discovered an error caused during the processing of a Proof of Beneficial Use that was returned to you for payment of the filing fee, in the above-referenced matter. I am providing you an Order Changing Proof Due Date because the original February 1, 2006 proof deadline has past. This order changes your proof deadline to October 1, 2007, to allow for proper service of the proof due notice letter according to Idaho Code Section 42-204.

If you have questions, refer to a letter dated May 12, 2006, from the IDWR that returned your original proof and asked for the proper license examination fee. You may contact me at (208) 287-4942, for additional information.

Sincerely,

Deborah Gibson
Administrative Assistant
Water Allocation Bureau
