RE: PERMIT NO. 65-22922

Dear Permit Holder:

Enclosed is the original Proof of Beneficial Use form ("proof") you filed with the Department. I am returning this document to you because the department cannot accept it without the appropriate license exam fee, or a Beneficial Use Field Report from a certified water right examiner. (This fee is specifically for the preparation of a Beneficial Use Field Report prepared by a department examiner, and is the final step before issuance of a license.) You were permitted for a ground water source for a diversion rate of .08 cfs. Therefore, your fee would be \$50.00. Please see the fee schedule attached to the proof.

Please return the enclosed proof form along with your check for \$50.00, to my attention on or before **May 31, 2006** to avoid lapsing of this water right. If you have any questions regarding filing the proof, please contact me at (208) 287-4958, or contact the regional office at Western (208) 334-2190.

Sincerely,

Christine Roberts
Technical Records Clerk
