PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 63-31891

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the referenced permit and advancing its priority since proof was submitted after the proof due date. I am enclosing copies of the proof you filed. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Enclosed is an Order Changing Measuring Device Requirement for the above referenced water rights. The Department of Water Resources (department) has issued the enclosed order pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department unless a party petitions for reconsideration or files an exception and/or brief as described in the enclosed information sheet.**

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the **Western** Regional Office of the department in Boise, Idaho 208-334-2190.

Sincerely,

Brian Cox
