RE: Change of Ownership for Water Right Nos. 63-8454 and 63-21172

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to both of you. The department has modified its records to reflect the changes in ownership and has enclosed a computer-generated report on each WR for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
