

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF PERMIT NO.)	
37-21294 IN THE NAME OF)	ORDER CHANGING
CAMAS DEVELOPERS)	PROOF DUE DATE
_____)	

The Department issued the above-captioned permit with the condition that proof of construction of works and application of water to beneficial use (proof of beneficial use) be submitted to the Department on or before July 1, 2005; and

A Proof Due Notice letter was issued on April 30, 2005 for this permit. The permit holder responded by filing a request for extension of time ("request"). This request was granted, and an extension for filing proof of beneficial use to July 1, 2006, was issued.

A second Proof Due Notice letter was issued on April 30, 2006 for this permit. Again, a second request for extension of time was filed. This request was accepted which granted an extension for filing proof of beneficial use to July 1, 2007.

An error occurred during processing of this second request that did not update the Department's database to provide notice of the July 1, 2007, proof deadline. Therefore, a proof due notice was not generated for this permit in April 2007.

According to Idaho Code, Section 42-204, which states:

...Sixty (60) days before the date set for the completion of the appropriation of water under any permit, the department shall forward a notice to the applicant by certified mail at his address of record of the date for such completion, ...

Because of this error the Department should issue an order changing the proof due date to September 1, 2007, to give the permit holder time to file a proof of beneficial use or request an extension of time for filing proof.

ORDER

IT IS HEREBY ORDERED that the time in which to submit proof of beneficial use of water for Permit No. 37-21294 is **CHANGED to September 1, 2007.**

Dated this 11th day of June, 2007.
