PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 77-7161

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

The license examination schedule indicates the fee for 2cfs is \$125.00. I have notified fiscal to issue a refund in the amount of \$25.00 for the over payment.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the Western Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

Christine Roberts
Technical Records Specialist
