RE: Request for water rights verification

Dear Mr. Fitzgerald:

The Department of Water Resources has received your request for information about water rights associated with Mrs Gladys Hoopes's property, (Parcel Number – R3719161290, Lots – 10, 11, 18 and 19) located at 2825 W. Canal Street in Boise, Idaho.

As a result of a query to our database, I found that water right **63-15285** is associated with the above property. I have enclosed two documents which should satisfy the City of Boise's request for verification. The first document is a two-page proof report summarizing the information we have concerning water right 63-15285. The second document is a copy of the partial degree on the water right.

Please feel free to contact this office if you have any further questions.

Sincerely,

Michele Edl
Associate Engineer
