

Dear Steve,

Here is the fax I told you I would send.

In regards to: #37-13129 and transfer of deeds and property.

Included are 15 pages including cover page.

Explanation:

Pages 1 & 2 are from the Idaho Dept. of Water Resources.

The next three pages of deeds showing transfer of property from Boyd Harrison to Harrison Family Trust. There were mistakes on that deed so corrected deeds were made but not until after my father's death July 24, 2006.

The next page is the first page of the trust agreement showing my sister and me as alternate trustees after the death of my father which allowed us to redo the deed.

The next three pages is the corrected deed showing my sister and me as co-personal representatives.

The next three pages is the Quit claim deed from the Boyd & Edna B. Harrison Family Trust to Harrison Family Ranch LLC.

Water right # 37-13129 now to be named to Harrison Family Ranch LLC.

The last page refers to the Holtz Spring. I am still not sure how you will take this out of my father's name and place it in the the name of the LLC. I can send you a copy of the death certificate if that is appropriate.

Please let me know if you need any more information or have questions. My home phone # 365-5391 however I would pick up on my cell faster # 369-1217.

Thank you Steve for your attention to this matter and taking care of the other water rights we discussed today.

Harrison Family Ranch LLC.
