Re: Final Approval of Application for Permit No. 72-16686 (John R. and Patricia W. Challis)

Dear Director Tuthill:

The purpose of this letter is to request final approval of Application for Permit No. 72-16686, in the name of John R. and Patricia W. Challis.

The Application was published on June 7 and June 14, 2007, with a protest deadline of June 25, 2007. No protests were filed.

Pursuant to IDWR's letter of June 5, 2007, and given that two weeks have already passed since the protest deadline expired, we expect that the application has been forwarded to the State Office for final processing. If not, we request that this occur immediately. Further, given the sufficiency memoranda in IDWR's file, and the fact that all statutory and regulatory criteria for approval of the permit have been satisfied, we request that the application be approved forthwith. We would certainly expect the application to be approved within the typical eight week time period referred to in IDWR's June 5, 2007 letter. Since the protest deadline was June 25, this means that the permit should be approved no later than August 20, 2007.

Thank you for your attention to this matter.

Sincerely,

NORMAN M. SEMANKO
Attorney at Law
