The Department issued the above-captioned permit with the condition that proof of construction of works and application of water to the permitted beneficial use be submitted to the Department on or before May 01, 2007.

On May 03, 2007, the Department received a Proof of Beneficial Use ("proof") filed by the permit holder. It was found that an error had occurred and that the Department failed to notify the permit holders of the proof deadline.

Section 42-218a(3), Idaho Code, provides that the Department may reinstate a permit based on department error without advancing the permit's original priority date.

IT IS HEREBY ORDERED that Permit No. 98-07851 is **REINSTATED** with no advance of the March 16, 2006 priority date.

DATED this 10th day of July, 2007.
