RE: Change in Ownership of Water Right Nos. 65-8850, 65-8650, 65-8651 & 65-11324

Dear Barnes Ventures:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Water right numbers 65-13823, 65-13824 & 65-13825 are still in the permit stage, therefore an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. The \$25 paid toward the ownership change can be applied toward the Assignment of Permit.

Please feel free to contact the Department if you have any questions.

Sincerely,
