Subject: Application for Transfer
Water Right/SRBA Claim Nos. 73-4021, 73-12064, 73-12065, 73-12066

Dear Sir,

On behalf of River Valley Ranch LLC, I am pleased to submit the enclosed *Application for Transfer* for the water rights captioned above. The applicant is participating in a water conservation project managed by the Custer Soil and Water Conservation District. The goal of the project is to close a series of diversions from several sources in the Pahsimeroi Valley and eliminate use of the Ellis ditch. A *Notice of Change in Water Right Ownership* was previously submitted to clarify the ownership of the water rights that are the subject of this transfer. SPF will file an additional transfer for the other portion of these water rights as soon as it is complete.

We understand that the filing fee for this Application is \$370.00. You will find a check for that amount enclosed, paid by Custer Soil and Water Conservation District.

Please contact me with any questions.

Sincerely,

Roxanne Brown
Water Rights Specialist
