RE: Change of Ownership and Security Interest for Water Right Nos. 65-2301 & 65-4048

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership and Notice of Security Interest. Our review of your notice indicates that additional information is required before we can process the change.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the Water Right No. 65-2301. I have enclosed a copy of the water right for your reference. The location of this water right is the S½ SE¼, Sec. 14, T17N, R2E and the N½ NE¼ Sec. 23, T17N, R2E. Exhibit A does not cover either of the quarters.

The documents submitted were sufficient to change the ownership of WR No. 65-4048. I have enclosed a report which reflects the changes made.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on Water Right No. 65-2301 pending receipt of the necessary information. If we do not receive the necessary information within 30 days your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Technical Records Specialist
