RE: Change of Ownership for Water Right 35-2097G

Dear Water Right Holder:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. Our review of your notice indicates that additional information is required before we can process the change.

The Department needs to compare the legal description of the property to the water right. The warranty deed submitted references Exhibit "A" which was not included with your documentation.

Because the Department cannot process the ownership change without proper documentation we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Technical Records Specialist
