(CORRECTED)
PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 63-31283

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and field examination submitted for the above referenced permit. The field report has been reviewed and appears acceptable. The next process this matter will go through is a review for licensing.

You filed proof with the department on November 1, 2006. The proof was accompanied with a \$200.00 license examination fee. At the time the proof and fee were received Ed Squires informed the department that he would be conducting the field examination. The department has received the beneficial use field report from Mr. Squires, and will refund the filing fee paid. Therefore, with this letter I am requesting that the State of Idaho issue a check to Hydro Logic, Inc. in the amount of \$200.00. This check will be mailed within 7-10 business days.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
