

6-19-07.

Dear Sirs,

We bought our house
in McCall in Sept. 2004
and were just notified by
the previous owners that
the water rights were
not changed to our names.
We hope we filled all
the papers out OK & sent
all the necessary copies.

Please notify us when
this has been put in
our names & if you
need any more info.

thanks,
the Zpts
