John,
I am holding the application with Tom & Jenine's original signature and a faxed version of the signature from the lender.

I can send that to you now, if you like.

I am still waiting for the hard copy of the application with the lender's signature.
He's promised to send it, but it must have been lost in the shuffle.
My assistant will call him to remind him.

-Chris

Chris:
Thank you for providing the info we needed to make this work.
I am still lacking the original signed amendment application.
If it is not inroute, could you check on the status.

Regards
John Westra

Rob,
Thanks for your phone call this morning.
I spoke with Tom Wilke.
Ed Holder will continue to be the driller, so no change is needed in the drilling permit. .

Sorry you were bothered with the call from Todd Knie.

Since things seem to be settling down, my role as lawyer is now complete.
If anything else comes up regarding Tom Wilke, you may contact him directly.
He will then involve me as he deems appropriate.

Thanks again to you, to John Westra, and to everyone else of the IDWR staff for expediting this matter.
Tom Wilke and I very much appreciate your efforts.

-Chris
