RE: Change of Ownership for Water Right 36-14213

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

During our review of water right no: 36-14214, we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. I have enclosed a copy of the proof report for your reference. We need proof of ownership of T8S, R17E, Sec. 24, NW1/4SE1/4. Therefore, we did not process this water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox
