*Re: Transfer Application No. 4122 for Water Right No. 61-02165*

Dear Vic:

Enclosed is a copy of the above referenced application for transfer. I am writing to inquire about the status of the proposal. The water right was recommended in the Snake River Basin Adjudication (SRBA) as licensed, but the SRBA process awaits the outcome of the transfer process.

Please take this opportunity to select one of the following preferences to resolve the transfer matter:

1. Withdraw the transfer application.
2. Continue processing the transfer as filed.
3. Amend the transfer and resume processing.
4. Request an interruption in processing of up to six months to further consider your options.

Please provide your written reply within thirty (30) days of the date of this letter. If the information is not timely submitted, the transfer application will be removed from the records of this agency. Thank you for your attention to these matters.

Sincerely,

Steve Lester  
Water Rights Supervisor
