Pam:

Vic Conrad requested we first process a new transfer before completing 67838. The new one was 70653 which was approved in August 2003. That was the one we discussed at our transfer conference in Room A & B a few months ago with Karl, Glen & others ... Simplot had asked for expedited handling & administration said to take care of it. So we did.

Vic was to let me know about some details in 67838 to see if/when processing should continue after approval of 70653. He has not updated me yet. I will notify him in writing of the need to move ahead or to seek more time for 67838. Failing either of those options, we would seek to void transfer application 67838.

I hope that gives you enough information. Let me know if you need more.

Steve

Steve,

I have had an inquiry from Becky Harvey regarding a Transfer on 61-2165 for Simplot. I found the WR file in the Pending Transfer drawer with a copy of Transfer 4122, now renumbered to 67838. No work has apparently been done in Workflow, so I don't think we have it here. Could you follow-up in your office & let me know the status of this one also. If it has been sent over, we will need to hunt it up.

Thanks,

Pam

Hi Pam,

Do you know the status of this transfer? Records indicate that it was sent to the S.O. on 8/5/03. The SRBA court is inquiring about this one. Any info you may have will be appreciated.

Thank you.
