RE: OWNERSHIP CHANGE FOR WATER RIGHT 36-7418

Dear Water Right Holder:

The Department has been notified that you are the current owners of the property to which the above water right is appurtenant. In order for our records to be changed, it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete it per the instructions (pages 3 and 4), include the required fees and documentation listed under item 2 and return everything to this office. Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,

Trish Fawcett  
Technical Records Specialist
