RE: Change of Ownership for Water Right 35-2744

Dear Interested Parties:

We received an ownership change notice from you on 12/11/2006. During my review of this ownership change request, I discovered that an ownership change had previously been filed and received from BAKER AND HARRIS on 12/07/2006. The water rights have already been changed into your name and the reports were sent out 06/13/2007. Therefore, we are returning the notice and supporting documents to you. We have requested issuance of a refund in the amount of \$50.00 be sent to you.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
