PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 27-12143

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Enclosed is check number 2257 you wrote to the department for the fee associated with the license exam fee. This fee is waived for groundwater wells with a diversion of 0.04 cfs or less. Your permit falls within that category. Your check was never deposited therefore; I am returning it to you with this letter.

Also, be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
