The Dept. of Water Resources has received the Notice of Change in Water Right Ownership. The request will be reviewed and a letter will go out to you should we need any further documentation. Otherwise, upon entry of the change ownership, we will mail a confirmation that the change has been made.

Please feel free to contact us should you have any further questions.

Thank you,

Subject: Water rights request

The end of January we submitted a request for our water rights to be restored to our name. We submitted all the required documents and fee to get the change made. The water rights is going from Unique Properties to B & K Investors. Can you tell us how we can get an update on our request? Thanks.
