Re: Lake Fork Estates property water rights

Dear Rob:

In connection with the above transaction, we are enclosing the following documents for your review:

- Application for change of name for 2 water rights
- \$ 50.00 for the change
- Chain of title for said property
- Plat map

Dr. Wade purchased this property in 1992 and subsequently filed for the irrigation water rights. He has since transferred the property into an LLC. We would ask you to transfer the irrigation water rights to GW, LLC.

At the time he purchased the property he did not realize there already existed a water right for the domestic well. He would like that water right transferred into GW, LLC.

I hope I have included everything you need. If so, once processed please send the water rights directly to Dr. Wade at 977 E. Braemere Rd. Boise, Idaho 83702. He is available to you by phone should you have questions at 208-345-4746 .

If you need anything further from me, please let me know. You may email me at colleenc@ameri-title.com.

Regards,

COLLEEN COLE
Escrow Officer
