RE: Notice of Security Interest for Water Right Nos. 36-7412 & 36-16336

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed computer-generated reports for your records.

The Department was unable to add you as having a security interest in WR Nos. 36-16337, 36-7960A and 36-7960B as the location of the property listed in the mortgage did not match the place of use for these rights. I have also enclosed computer-generated reports for reference.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Technical Records Specialist
