CONDITIONS OF ACCEPTANCE

1. The water rights referenced above will be rented from the bank at the current rental rate
2. There is no rental payment to the lessor of the water right if the right or a part thereof is not rented from the bank.
3. While a right is in the bank, the lessor may not use the right without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to section 42-351, Idaho Code, for illegal diversion and use of water, and may include civil penalties pursuant to Section 42-1701B, Idaho Code
4. A right accepted into the bank stays in the bank until the Board releases it, the lease term expires, or upon request from the lessor to change the term of the lease
5. While a water right is in the bank, forfeiture provisions are stayed.
6. Rental of water under this right is subject to the limitations and conditions of approval of the water right
7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication or any other department application process
9. In accordance with Sections 42-248 and 42-1409(6), Idaho Code, all owners of water rights are required to notify the department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change
10. Upon acceptance of a water right into the Board's water supply bank, the owner of the right may withdraw the right within thirty (30) days of acceptance into the bank if the owner does not agree with the conditions of acceptance

The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources
