RE: Change in Ownership on Water Right Nos. 35-4271A 35-8635A 35-8679 35-8782 & 35-9068

Dear Interested Party:

The department acknowledges receipt of correspondence changing ownership of water right nos. **35-4271A, 35-8635A & 35-8679**. The department has modified it's records to reflect the change in ownership and has enclosed computer generated reports for your records.

Because water right number **35-9068** is still in the permit stage, this water right requires an Assignment of Permit to complete the ownership change. Enclosed is an assignment form for your use. Please note that the \$25 filing fee you submitted would be applied as the assignment fee.

During our review of the documentation you submitted we found that water right number **35-8782** may need to be split. The deed submitted only shows ownership of the East ½ of Section 24 in Township 4 South, Range 32 East. Enclosed is a computer generated report, and a map showing the Place of Use on this water right. The change of ownership cannot be processed, unless you can show proof of ownership for the other pieces of this water right. If you are only entitled to a portion of this water right, please submit an additional \$75.00 to process this ownership change as a split.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

If you have any questions regarding this matter please call Darla Block at (208) 287-4945.

Sincerely,

A handwritten signature in cursive script that reads "Darla Block".
