RE: Change of Ownership/Split for Water Rights 23-22A, 23-96A, 23-11273, 23-11275, 23-11277, 23-11281, and 23-11283

Dear Mr. Erlanson:

The department acknowledges receipt of correspondence changing ownership and splitting the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

Note that water rights 23-22A and 23-96A did not require a split in ownership and the fee associated with an ownership change is just \$25. The department will be issuing you a refund in the amount of \$150 within 30 days. Also, please note the new water right numbers resulting from the split are on the enclosed reports.

As of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
