Dear Roger,

Please find the enclosed BLM paper work you gave me. I have been over this with Wendy Velman the BLM water rights specialist. She has answered all of the questions you had and made a change on one of the answers on the second page of the document and initialed it.

I hope this takes care of what you needed regarding the POD change on Garden Creek. If not please feel free to either give me or Wendy a call and we can take care of it.

Hope things are going well, and thanks for all your help in getting this done.

Sincerely,

A handwritten signature in black ink that reads "Matt Woodard".
