

Mr Warner:

I think I forgot to include this
in my Complaints sent last week -
It is just Information.

Copy of a Meeting June 17/98 (3LT 94-95)

Just to give you a idea as
to what the cost of changes
may be.

And this was August 12
yrs ago we built this.

regulations would be furnished to the District for it's reference in such an ^{resolution} ordinance.

The newly completed water system appears to have been a very good investment for the District as the value was worth over 1.2 to 1.5 million dollars thus resulting in an investment of \$.25 to \$.30 on the dollar for the District and the patrons of the District.

Meeting adjourned.
