Re: New Union Ditch Company – Application for Transfer of Water Right
Lakeland Village, LLC – Application for Permit
Our File: 4977-12

Dear Steve:

I am enclosing two related applications for processing. The first is an application for permit to appropriate ground water in aesthetic ponds. The second is a transfer application that will serve as mitigation for the proposed permit. Also enclosed is a check in the amount of \$580 to cover the filing fee for said applications. This covers the \$330 fee for the application for permit and \$250 for the application for transfer.

Please call me if you have any questions.

Sincerely,

John M. Marshall
