RE: Transfer #73006 (47-13642), Lowell B. Curtis

Dear Mr. Stanton:

By this letter I state that I have the authority to act on behalf of the United States, Department of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein. I understand that Lowell B. Curtis, wishes to transfer water under right 47-13642 from the federal public property to land which Curtis owns as private property. The federal public property legal descriptions are as follows:

T13S R15E S11NWNW
SWNW

I understand that the Idaho Department of Water Resources (I.D.W.R.) cannot complete such a transfer of water under a water right without the notarized consent of the landowner where the water right describes land not owned by the transfer applicant.

On behalf of the United States and the U.S.D.I., BLM, my notarized signature below provides the necessary consent to facilitate the transfer, which will result in the discontinuance of water use on federal public land. The United States' non-opposition to the application for transfer does not represent recognition by the United States of the claim elements nor their validity.

If there are questions regarding any statements above, please do not hesitate to contact Steve Davis at 208-677-6626 or me at 208-677-6600.

Sincerely,

Kenneth E. Miller
Burley Field Office Manager
