Describe the reason for the proposed changes

We have purchased this water right from Mr. Callen. The well is on our property, but provided stockwater for his cattle on land that he owned in Sec. 11. The well will now provide water for our cattle from a trough on our land near the well. The point of diversion was described incorrectly in the decree, so this is being corrected .

4. FOR CHANGES IN NATURE OF USE ONLY

A. Describe the expected quantity of the return flows and location of discharge after the proposed change

B. Describe the effects on other water uses resulting from the proposed change

5. Total Amounts Transferred
