RE: Change in Ownership for Water Right No. 95-04603

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. While reviewing your notice, we found that we need additional information regarding the location of two acres of irrigated land as indicated on the claim. You need to submit the specific location of the two acres within parcel so we can process the rest of your change in water right ownership. I've enclosed a copy of the claim to the water right, a water right report, and a map of section 8 of the SE1/4 SE1/4

The Department cannot process the ownership change without proper documentation; we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,

Shelley W. Keen,
Acting Section Manager
