NOTICE OF APPLICATIONS FOR PERMIT

The following applications have been filed to appropriate the public waters of the State of Idaho, Custer County. These applications propose the diversion and use of water from ground water or surface waters tributary to the Salmon Wild & Scenic River or directly from the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow.

***The water uses proposed in the following listed applications will benefit from the subordination provision because they propose uses associated with domestic, de minimis stockwater, storage or replacement purposes, or are a United States right.

*****Application No. 72-16686 was filed by JOHN R. & PATRICIA W. CHALLIS, CHALLIS CREEK RANCH, PO BOX 1220; CHALLIS ID 83226-1220**
