Re: Order Granting Extension of Time to Complete Transfer

Dear Mr. Hughes,

Attached is a copy of an order granting an extension of time in which to complete Transfer No. 72679. The transfer completion date has been extended to April 1, 2008. We urge you to complete the necessary work related to the re-diversion of your rights from the Highline Canal prior to this new extension date. Failure to complete the transfer by the new date may jeopardize your ability to continue use of your rights at the old point of diversion.

Please contact this office if you have any questions or need further assistance regarding this matter.

Respectfully,

Tim Luke
Water Distribution
