RE: Change in Ownership of Water Right Permit No: 98-07827

Dear Mr. and Mrs. Holifield:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required. We are returning the paperwork that you sent as we only require the completed assignment form and filing fee to process the change. The filing fee paid for the notice of change in ownership can be applied toward this.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,

Brian Cox
