RE: Water Right No. 98-7647
Change in Ownership

Dear Mr. & Mrs. Schernitzki:

Further review of the ownership documentation that you provided with the Notice of Change in Water Right Ownership submitted on 07-03-2003 finds that the legal description location of your land and the land that the water right is appurtenant to are not the same.

The water right identifies the place of use as being located within the **SWNE** of Section 27, Township 62N, Range 02E, and the Warranty Deed that you submitted identifies portions of the **NESW** of Section 27, Township 62N, Range 02E.

It appears that the ownership change identifying you as the current owner of Right 98-7647 was completed in error. We have removed your names from the right and identified the original owner, Donald A Lederhos, as the right holder of record.

The Department cannot process an ownership change without proper documentation. If you have some additional information that you would like to submit to support your filing of Change in Ownership, we will be happy to consider it. Otherwise, this matter is closed and the records have been updated according to the current documentation in the file.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela S Skaggs', is written over a horizontal line.
