Re: CHANGE OF OWNERSHIP

The ownership change request from Cabrera for 96-8154 has a legal description of T59N, R1E, S17, NESW. The quarter quarter is different from the Water Right License. I checked with the Bonner County Assessors office to check the Chain of Title. The Chain of Title follows along with the change of ownerships contained in the file. The Assessors office also stated that the Warranty Deed's legal description was correct as follows

LOTS 1 AND 2 IN BLOCK 2 OF GROUSE VALLEY ADDITION.

Therefore, the Water Right License might contain an error on the quarter quarter. We are acknowledging the change of ownership given the information that was given to us from the assessor's office.
