RE: Change of Ownership for Water Right No: 35-2787, 35-13211, 35-7025

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

There is a previous request for a split of water right no: 35-2861. We are still in the process of changing the ownership on the water right. Once this split has been completed, we will review your request for change of ownership for that water right.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox
