RE: Change in Ownership for Water Right No. 35-2787, 35-13211, 35-2861, 35-7025

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The Warranty Deed submitted indicated ownership for T3N, R36E, SECTIONS 2 & 3. We need documentation showing that you own property located in T4N, R36E, SECTIONS 34 & 35. We have enclosed computerized reports indicating the location of the above water rights.

The Department cannot process the ownership change without proper documentation; we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,
