RE: CONTACT INFORMATION FOR WATER RIGHTS 17-7132 & 17-7140

I spoke with Wendy Velman from the US Bureau of Land Management her cell phone number is 208-221-8170, Idaho Falls Office phone number is 208-524-7520 & the Pocatello Office phone number is 208-478-6352. She also informed that they have contacted one of the managers of Black Pine Mining Inc and that they are trying to get him to Quitclaim the Water Rights to The US Bureau of Land Management. I told her we would place these files on a six-month call up.
