Re: Water Right Permit No. 65-22632

Dear Mr. Wilson:

The Department recently found that an unauthorized change to your mailing address in our electronic database caused a letter for you, to be mailed to a wrong address. Because of this error and the length of time necessary to provide notice of a filing deadline, I have corrected your address record and enclose an Order Changing Proof Deadline. This Order provides that you will receive 60-days notice of your proof deadline.

Therefore, a certified letter will be arriving soon that will give you more information about your filing requirement, and provide the appropriate forms for filing with the department to maintain this permit.

If you have any questions, please do not hesitate to contact me at (208) 287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Deborah J. Gibson".
