Re: Database error

A Notice of Change of Ownership was filed by a Robert E. Wilson of Heyburn, Idaho. The database linked this Robert E. Wilson in Emmett with Robert E. Wilson in Heyburn. The address for this permit was changed to Heyburn, and the proof due notice letter was mailed to the wrong Wilson. The error was found when a proof of beneficial use was filed by the Wilsons in Heyburn who have a decreed right no. 36-7892. Proof of beneficial use deadline has been changed by Order for this permit, to give the permitholder 60 days to file the proof according to I.C. Sec. 42-204.
