PROOF ACKNOWLEDGEMENT LETTER

RE: TRT-TPP-4 - PERMIT NOS. 81-7181, 85-7664, 86-7371, and 86-7372

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits. Enclosed are two orders reinstating the permits since proof was submitted after the proof due date. Please note that the priority date for both permits have been advanced and noted in the Reinstatement Orders as provided in Section 42-218a(2), Idaho Code.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
