Dear Ms. Deborah Gibson,

As you may recall, we requested extensions of time for permit nos. 65-13855 and 65-13852. They now have both been located and inspected for proper development and water use. Enclosed you will find the proof of beneficial use forms for these springs.

When we sent you the requests for time extensions in July, we also enclosed a \$150 check to cover all processing fees for all three applications. This should have taken care of all necessary fees, but if we are incorrect, please let us know.

Sincerely,

Rebecca Beavers
Resource Manager, Lands
