PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 29-13711

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit and the receipt for. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Also, be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Christine Roberts
