Re: City of Carey / Carey Water & Sewer District well beneficial proof

Dear Deborah,

This letter is an acknowledgement that City of Carey / Carey Water & Sewer District has completed the construction of our second well and it is now in operation as of 1 September 2006.

As of 1 October 2006 the Carey Water and Sewer District and its operations were assumed by the City of Carey. We are in the process of having the water rights for our wells transferred at this time.

If you need any additional information please feel to contact me at the above address or on my Cell phone at (208) 309-0319.

Sincerely,

Robert Simpson
Public Works Director
